

COMPREHENSIVE PLAN UPDATE – FEEDBACK FORM

Citizen Open House

June 29, 2023

The Comprehensive Plan for Owensboro, Whitesville and Daviess County is a guide showing the long-term vision for the community. This vision is based on the idea that every resident should have a suitable living environment and the community should have a logical layout that functions efficiently.

We welcome your feedback regarding your thoughts about our community and suggestions for improvements to our Comprehensive Plan document.

1. What types of housing would you like to see in Owensboro and Daviess County?

2. Where would you like to see residential and commercial growth taking place over the next 20 years?

3. What roadways could/should be improved or extended and where could/should new roadways be built that would improve connectivity in the community and improve the transportation network?

4. Additional comments or suggestions?
